2017 COMMUNITY ACTION MINI GRANT PROGRAM

PURPOSE

The 2017 WIN Community Action Mini Grant Program offers funding opportunities to organizations who are working to make improvements in their neighborhoods, communities, and watersheds within the framework of “sustainability” (projects that have economic, environmental and/or community impacts). WIN will award grants of up to \$1,000 to successful applicants whose projects show creativity, address an important and demonstrated need, and support the vision of Saginaw Bay WIN, which is:

As stewards of the Saginaw Bay Watershed, we value our shared, unique resources, and together we will balance economic, environmental, and social priorities to enhance the quality of life for this and future generations

OVERVIEW

The application period will open on October 6, 2017 and close on November 10, 2017 at 5 p.m. Projects may include, but are not limited to:

- Physical improvement projects that involve recreation, natural resource features, public art and spaces, or community gardens
- Projects that improve universal accessibility to natural resources or community assets
- Funds may be used for the creation of farmers’ markets, the expansion of an urban or community garden, to promote local food efforts and/or youth initiatives that collaborate with community gardens or farmers’ markets
- Public school partnership projects focused on natural resources that benefit school children and the immediate neighborhood or watershed.
- Energy efficiency, conservation, habitat improvement, water consumption, recycling and reuse
- Outreach, research, education or organizing projects that address topics such as transportation, land use, energy efficiency, and water quality improvement and protection

FUNDING AVAILABILITY

- The maximum award for each approved request will be \$1000
- Projects must be matched dollar for dollar (1:1) with cash or donated material.
- Grant funds cannot be used to support on-going or regular programs, organizational operating expenses, purchase of land or buildings, expenses prior to grant award.
- Project sponsors must sign an affidavit-of-match upon grant award notification

ELIGIBILITY

Eligible organizations include nonprofit 501(3) groups, local governments, subdivisions of local governments, and educational institutions. Project must take place in the Saginaw Bay Watershed.
